Spirals are symbolic of eternal life in many cultures. The Celtic knot is one of the oldest symbols of this kind. Monks used them to decorate sanctuaries and tombs. Besides being part of the Celtic traditions, the knot represents life, death, and rebirth while helping to convey God's greatness.

Snug – a term often used to describe a small secluded portion of the pub. In Ireland, women would often occupy snugs near the back of the bar, where the bartender could serve them through a modesty screen or small window.

Cregeen's is an Irish surname, though the meaning of the word in Gaelic is "little rock". It is pronounced by some Irish as Kra-geen, though we pronounce it as many do; Kree-gun.
